

Name _____

Tree Chart

Use the **Tree Growth data sheet** you used at the Science Museum of Minnesota. Circle the tree you chose to measure at the museum in the chart below and add your data.

Gather data from other groups about all of the trees.

Tree	Number of rings	Circumference
Spruce		
Walnut		
Willow		
Box Elder		
Catalpa		
Burr Oak		
Black Cherry		

Predict:

Which tree grows the fastest? _____

Why do you think so? _____

Now go to the MathPack website and try the online **Ring Activity!**
